

What is a Business Incubator?

One Degree Collaboration, LLC is a Vetpreneur Business incubator designed to help startup businesses grow and succeed by providing free or low-cost workspace, mentorship, expertise, access to investors. To attend Monthly events or be part of the Co-Lab, you have to either register or apply.

What are the Benefits to Registering or becoming a Member?

Registration: is required for each Event which is FREE to attend until Sept. 1st, 2021.

Membership: is required in order to receive Member Benefits, as noted below and is also FREE until Sept. 1st, 2021.

Membership at the incubator will provide you and your businesses with the Knowledge, Tools, Resources, and Networks to get a powerful start, pivot, or expansion for your business. The One Degree Collaboration Incubator provides the following benefits:

1. Low-cost workspace, to include furnished offices, free wi-fi, printers, classroom and conference spaces that allow you to reduce overhead while you grow.
2. Mentorship and Coaching from experienced business owners.
3. Access to Resources and Networks to accelerate your business, including services and capital.
4. National, State, and Local Business Development programming through workshops, events, panel discussions, and more.
